MIROGARD® – Anti-Reflective Glass for Art Glazing

Price List € – Middle East, Africa, Asia Pacific & Latin America
Valid from 01.01.2022

Forms of supply and specifications

This price list covers the range of standardized MIROGARD® products.

MIROGARD® is manufactured according to SCHOTT specification in standard quality. The respective specification is available upon request.

Preferred assortment

SCHOTT strives to have preferred materials available in commercial quantities from stock.

Our preferred assortment is listed **orange** and marked with a ►. Please feel free to ask us about the delivery times for glasses that are not part of our preferred assortment.

Minimum value per order

The minimum value per order and shipment is EUR 5,000. If you are in need of smaller quantities that are lower than our minimum value per order, we would be happy to refer you to one of our sales partners.

Delivery conditions and rates

Delivery is subject to our general terms and conditions which you can view on our website.

All prices apply ex works Grünenplan in Germany, excluding insurance and including packaging.

When ordering, please specify the options you have available for unloading the glass (e. g. forklift, unloading crane or vehicle with a platform lift, ...).

VAT is calculated for deliveries within Germany. We reserve the right to change prices and technical specifications.

This price list was prepared with the utmost care, nevertheless errors are possible.

All previous price lists and agreements lose their validity upon the publication of this price list.
