Your entry options

At SCHOTT, no matter where you look, you will find a high level of professionalism and a strong passion for international technology markets. That is what drives our success. We keep an eye on the future of technology, but we also don't lose sight of our people.

Professionals

If you know what your capabilities are and are looking for a new career challenge, SCHOTT is the perfect place for you. At SCHOTT, your work will be exciting and multifaceted in an international environment.

Graduates

If you have a university degree, are passionate about your field, and have a sense for our markets, then SCHOTT is the right place for you – whether you're looking to join our International Graduate Program or are seeking an entry level position.

Students

The best way to gain hands-on experience is through an internship. A SCHOTT internship gives you the opportunity to build a network that will help you throughout your career, and to work on challenging "real life" assignments and projects. We also offer students the opportunity to conduct research for their final thesis while working for our organization.
