Your request regarding exemption No. 7(c)-I of the RoHS Directive (2011/65/EU)

Dear Customer,

Many thanks for your request regarding the above exemption from restriction of the RoHS Directive (2011/65/EU). This exemption is currently valid until 21. July 2016.

The following SCHOTT products that are delivered to you at the moment use this exemption from restriction:

- SL 10.2xx.xxx
- SL 10.6xx.xxx
- SL 10.7xx.xxx

SCHOTT intends to apply for a timely prolongation of this exemption so that we will continue to be able to use it for our products. Just like today, there is no technological alternative for the above products that would fulfil the RoHS requirements without using an exemption.

Of course, we will keep you up to date with the status quo of our application for the exemption prolongation.

Best regards

SCHOTT AG, Site Landshut
