

企業理念

当社は人々の感動を呼ぶ企業を目指します

- 当社は、新しい技術とコンセプトによる新製品でお客様の事業に貢献します。
- 当社は、世界中のお客様からの製品、技術、サービスのご要求にお応えするソリューションを提供します。
- 当社の全従業員は、“お客様第一”で自主的、自律的に行動します。
- 当社は環境に配慮する企業であり続けます。

Corporate Philosophy

The reliability and safety in electronics is our mission

- We will be a key contributor to our customer's market success by providing new products with new technologies and new concepts.
- We will provide complete solutions for any particular customer requirement concerning products, technologies and services.
- Every one of us will be empowered to manage the company at all levels to overcome hierarchies and individual boundaries in order to satisfy customer requirement.
- We will make a conscientious effort toward environmental awareness by contributing to the well being of society.
