## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: March 2019

Void After: March 2024

Product: Acid Waste Systems

File No. 0500

Issued To: Schott North America, Inc.  
Corporate Office  
555 Taxter Road - 4th Floor  
Elmsford, NY 10523

Identification: Manufacturer's name or trademark. The product or the product container shall also bear the UPC® certification mark.

Characteristics: A line of pipe and fittings made of borosilicate glass for use in corrosive waste systems. Joints are made with stainless steel bands and TFE plastic gaskets. The couplings are manufactured for either beaded end to beaded end or plain end to beaded end pipe. Unless otherwise noted, all pipe and fittings are beaded on both ends. The systems may be buried when installed in accordance with the manufacturer's recommendations and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
